PROFILE

I am a creative and motivated fresher web designer with a strong foundation in HTML, CSS, JavaScript, and design tools like Figma. I enjoy designing responsive, user-friendly websites with clean layouts and smooth user experiences. I'm a quick learner, detail-oriented, and passionate about keeping up with the latest web trends. I'm now seeking an opportunity to apply my skills in a professional environment, contribute to a team, and grow as a web designer.

PORTFOLIO PROJECTS

Self-Made Web Templates

- Developed over 10 visually appealling web templates using HTML5 , CSS3, and JavaScript.
- Implemented Features like silders , responsive navigation menus, contact forms , smooth scroll effects , and basic interactivity using javascript.
- Created ui designs and wireframes in figma, ensuring a user centered design approach before development.
- Figma Projects:
